-----Prelude: September 2007-----

Sheila hid in the corner of the room. "They're not going to see me anyways, I'm Invisible." she thought. About 30 minutes before, Sheila had taken a sip of her most potent invisibility potion. That one sip should last for at least two hours.

Sheila was waiting in the room of her first test subject. Lucy had nominated herself in Bio class yesterday when she "accidentally" knocked Sheila's books and notepad off of her desk.

"Whoops, did I do that?" Lucy said in a sing-song manner as she continued down the row with two of her cheerleader friends. Sheila had seen Lucy and her bitchy friends frequently over the course of the year. They were the only three freshman on the Football Cheerleading Squad and were making quite a name for themselves among the boys. "Loose Lucy" was by far the prettiest of the three. She was an athletic 5'10 and had long red hair that was always pulled back into a pony tail. She was well endowed with a 34DD chest and liked to show it off to all of the boys. The other two girls chuckled as they continued down the aisle.

After class, Sheila went into the bathroom and entered the first stall that was empty. She opened her purse and rummaged around until she found what she was looking for. She pulled a box that was about twice the size of a pack of cigarettes from her purse and opened it. Inside, small vials were stored row by row and neatly organized. Sheila grabbed the vial that she had made that morning and popped the cork.

"Here we go" thought Sheila as she took a sip. Immediately, a sour taste filled her mouth and her stomach started to tingle. "I hate this part" she thought as the tingling spread to her arms and then to her legs. She looked down and saw that she could no longer see herself. Her invisibility potion had worked.

Sheila opened the stall door and worked her way out to the main room. She spotted Lucy and her friends gossiping and walked over towards them.

"Did you see the look on her face? Tiff is going to laugh her ass off." Lucy said.

Brianna chimed in with "Yeah, I can't believe that Matt ever dated that nerdy bitch. What a fucking tool. She's always so serious in Bio class... Like we really need to know this stuff."

Sheila felt the anger rising up in her stomach as "BJ Brianna" and "Loose Lucy"

continued to talk about her and her ex. Matt and Shelia had been high school sweethearts and followed each other to college. About a year ago, Matt had left her for Tiffany "Tittany" Connors. The fucking overinflated bitch! "Fuck her and her little cheerleader friends!" Sheila thought. "Just you wait you little bitches. You are going to pay for your attitude and so will Tiffany. I'll get Matt back. He'll be begging to come back after I'm through with you!"

Sheila carefully picked her way into the dorm as she followed the girls back to their rooms which happened to all be on the 6th floor of Holden Hall. Lucy's room was 612, and Brianna and Cindy shared 645 which was a double. Noting this for later, Sheila left the dorm and went home to plan for the fun that she had planned for tonight.

As she walked into her dorm room, Sheila was greeted a nasally sing-song voice. "Good afternoon mistress, what do you require of us?" Luferra asked from the mirror that she had hung in the corner.

Sheila walked up to the mirror and peered in to the reflective surface.

"Boo!" Luferra yelled as her visage shot to the front of the mirror. She stood there, gigantic breasts jutting out of her bodice, and her hands on her overly ripe hips.

Sheila tried to regain her composure, as she stared into the mirror.

"Luferra!" Sheila exclaimed. "Don't do that! You scared the daylights out of me."

The busty visage in the mirror shifted and grinned with a subtle smirk as she said "Your wish is my command mistress".

Sheila looked away quickly and rearranged her dress. As she did, Luferra stared longingly at Sheila through the glass. Her eyes shifted from a clear blue to a glowing red as she thought of all the things that she would do to her "mistress" if given the chance.

"Luferra, tonight we are going to exact our revenge on Lucy. She is one of the cheerleading bitches that Matt has been hanging out with. I really want to teach her a lesson. By the time we are done with her, none of the boys are ever going to want to date her again. Here is what I need you to do..."

Later that night, while Sheila was waiting in the corner of Lucy's room when the door opened and Lucy and a random guy burst through. Lucy was all over the guy and had her arms around him, her huge tits pressed against his chest, and

her tongue stuffed down his throat. She began to pull his clothes off. "You're that new prospect kicker right? What's your name?"

"Mike" He replied excitedly.

"Mike, that's a great name. I think you'll agree by the end of tonight that you'll have a great life here at UW. You want another beer?"

"Sure!" Mike replied "that party was awesome!"

Not waiting for anything, Lucy grabbed two beers from the mini-fridge next to her bed and popped the top on both. She handed Mike his and took a huge swig out of hers. She then put it down next to the bed and began pulling Mike's pants off. When she got them off, she was rewarded as Mike's large member popped free of his boxers.

"Mmm, you're a big one. Do you think you are UW material Mike?" she said as she took her own clothes off.

"Umm yeah," Mike croaked as he stared at Lucy's endowments. "So, are you a natural redhead?" he managed to croak out before Lucy had finished pulling her jeans off.

"Why don't you be the judge of that." Lucy said as she pulled her blur lace thong down to her ankles.

Matt's eyes nearly popped out of their sockets as Lucy stood naked in front of him. She had an amazing rack, with incredibly perky nipples, topped on white creamy flesh. Her hips were incredibly voluptuous as she sashayed out of her underwear. Matt definitely liked what he saw, and when she turned to face him, he could clearly tell that she was a natural redhead. Her bush was neatly trimmed, but even in the low light, he could clearly tell that "the carpet matched the drapes." She had a small thin strip of red pubic hair leading from her nether regions up to about two inches from her belly button.

"So do you do this for all of the prospects?" Matt said, trying to be funny.

"Well actually..." Lucy trailed off. Then she thought better of herself. "No, of course not Matt. I only do this for the boys I like. Now, if you come to UW, next year we can see about going out. Come here stud!" She said as she reached for him and drew him into a kiss.

"This sure is going to be fun" Sheila thought as she pulled out the potion that she had made under Luferra's guidance that afternoon. "So this should humble that little bitch right up," Sheila thought as she went over the spell in her mind.

Luferra had had her get a bunch of messed up ingredients for the potion. "Eye of newt?" Sheila thought. "What the hell is that?" Luferra was lucky that the local apothecary had all the ingredients. "What the hell does she think I am, some kind of witch?" Sheila thought.

Sheila was deep in thought about the mirror that she had purchased earlier in the month when she was wakened from her stupor but the happenings before her.

"Oh yeah, stroke it baby!" Mike said as he was laying on the bed with his feet touching the floor and his 8 inch cock standing at full attention. Lucy was on her knees with her ass facing Sheila, as she began to stroke Mikes cock with her right hand. Her boobs were swaying with every movement, her strawberry nipples dragging on Mike's legs.

"Mmm" Sheila thought, "such a nice toned ass, and pert little pussy. Well Loose Lucy, after tonight, you can kiss that goodbye... Along with those tits!"

Lucy's red ponytail was bobbing up and down now as she was sucking on Mikes cock. Every now and then she would stop and lick up and down his shaft. Mike seemed to be really enjoying himself and grabbed on to Lucy's breasts as she continued to blow him. As she continued going to town, Sheila (still invisible) snuck by her and poured about a teaspoon of the potion that she and Luferra had mixed into Lucy's drink.

Lucy heard a splash in her drink and looked over towards it as if she forgot it was there before. She almost hit Sheila's hand as she reached for the drink. She pulled her head up off of Matt's cock and took huge drink, finishing off her beer. "That was easy" Sheila thought as she went back to her previous position.

Lucy turned her attention back to Mike and began rubbing her ample tits against Mikes cock. "You like that, don't you honey. Wait till I get you inside me." She then put the tip of his cock back in her mouth and started bobbing her head up and down again. As she did, she felt a strange tingle in her stomach. "Weird, must be the beer I guess." Pretty soon, the tingle spread to her tits, and then traveled down to her crotch. It stayed there for a few seconds before dissipating.

As Sheila watched, Lucy's pussy began to puff out and fill with blood as if she was extremely turned on. Lucy continued to bob up and down on Mike's cock and didn't seem to notice anything. Within a matter of a few seconds, Sheila could see that Lucy's pussy had drenched her panties all the way through and her juice began to drip down her legs. It then began to swell as if it was a water balloon filling up with water. Her mounds got bigger and bigger as her panties were slowly beginning to wedge in between them. Soon Lucy's lips begin to puff up and grow longer. Lucy continued sucking and licking at Matt's cock much to his enjoyment.

"Yes! It's working!" Sheila thought. "Now shrink those titties down to mosquito

bites!” Shelia gloated at the prospect of this bitch “Loose Lucy” ending up exactly as she had planned.

As she bobbed up and down on Mike, Lucy was oblivious to the changes that her body was undergoing. At first she didn’t notice anything. But soon, it became apparent that she was changing. Her “world famous” 34DDs seemed to be a bit swollen as she was dancing her tongue up and down Mike’s shaft. With each stroke, it was harder and harder for her to “go deep” on him. As she quizzically wondered what was happening, she was getting less and less of him down her throat.

Sheila looked on horrified. “I wanted that bitch to be a flat chested, big booty ho. What the hell!” She thought as she watched Lucy’s 34DDs inflate to 38EEs and beyond. “I’m going to have a serious talk with Luferra!” she thought.

Bigger and bigger Lucy got, until it was all that she could do to take in the top two inches of Mike’s cock over her growing titflesh. Lucy began to hum an almost subconscious tune as she seemed to be more and more turned on by the service that she was giving to Mike. She looked back toward Sheila, eyes rolled up in her head as she redoubled her efforts on Mike.

In a sudden motion, Lucy reached down with her right hand as she continued going to town on Mike. She reached back and furiously began to stroke at her clit with her free hand. “Ummmmm ohhhh!” she exclaimed with a look of utter bliss on her face. This new movement caused her ample tits to protrude forward. Whether she liked it or not, her massive tits surrounded Mike’s cock as she bobbed her head up and down.

“Weird, I must be REALLY horny!” Lucy thought. “I’ve never been this wet before in my life!” She continued to stroke her pussy in an effort to get herself off. Even as she was doing this, Sheila could see that her potion was still working. Lucy’s once small pussy began to stretch lengthwise as her upper folds began moving towards her belly button and her lower folds began to move towards her ass. All this time her mound and lips continued to inflate and get bigger, but Lucy was oblivious as she furiously worked her clit.

Pretty soon she was rubbing it in the front of her pubic bone as her pussy continued to lengthen. Sheila smiled at her handiwork.

Lucy’s cunt lips were each about 4 inches long and were slapping at the insides of her legs as she bobbed up and down on Mike’s member. Her mounds looked like a giant puffy, swollen pink cantaloupe sticking out from between her legs. Lucy, oblivious to her ballooning tits, did her best attempt at bobbing her head on Mike’s member. She was unaware that her bobbing motion had turned into an almost piston motion as she teetered on her now 40GG tits.

Mike, for his part seemed to be getting close to coming and Lucy sensed it.

"Not yet" she whispered to him as she slowed her assault on his pole. "I want you to come inside me!"

Lucy stood up and took off her now completely soaked red panties. In the dusky light Mike could make out the huge shape of her pussy. "Ohh my god!" He thought. That has to be a world record cunt. I don't care right now, I just want to come!"

"Get up here babe!" Mike said. And Lucy complied. She bent her ass over and invited him into her waiting snatch.

"What's going on?" Lucy dimly thought as she rested on her now massive tits. She looked down in a haze and saw the massive amounts of titflesh that she was resting on. As Mike settled in behind her, and thrust his member home, she forgot about her boobs. She instantly felt hornier than she ever had been before. She was brought out of her stupor by a weird feeling in her nether region.

"What the hell!? Something's not right here" Lucy thought as she rode Mike's pole. She could barely feel him inside of her, and he was at least 8".

For his part, Mike didn't seem to care too much, this was by far the loosest girl he had ever been with, but it still felt good to be inside of her. She was really wet too. Her juices were totally running down his cock and onto his legs. "Yeah baby, ride my cock!" he shouted as she did just that.

Lucy began to get really worried. She was riding him as fast she could, but she could barely feel him inside of her and she was getting almost no pleasure from it. She reached around to her clit which was now halfway to her belly button and started playing with it. This was enough to make her forget about her situation for a second and she started to feel closer and closer to an orgasm. Mike on the other hand was getting less and less out of their lovemaking. "I've gotta see this thing" he thought. He removed his cock from her with a slurping sound.

In the light, he could only make out that she had a HUGE mass of flesh between her legs. "Mike, whatever your name is. I want you back inside me now. I want to come, I've never been this fucking horny in my life!" Lucy said.

"Alright Bitch" he thought "You want it, I'll give it to you." He made a fist and plunged his arm into her hole with almost no resistance. This was the best thing that Lucy had felt all night and she started to buck her hips.

"mmmmffaster faster" she screamed as he pumped his arm in and out of her massive hole.

This was too much for Sheila, who while still invisible, was incredibly turned on. She reached down into her own panties and began playing with her clit. "WOW! That bitch is totally in heat. Must be an unintended side effect of the potion that we made. I'll have to remember that." She could feel herself starting to get close to climaxing as she watched the show in front of her. "After tonight, Loose Lucy would be a legend among the football players."

Just then Mike noticed something weird. Lucy's ass which had been toned and athletic a second ago seemed much bigger as if she was quickly packing on pounds back there. As he watched curiously, she began to buck his arm quicker and quicker so it made it hard to be certain. In a matter of minutes Mike started to see more and more jiggle in her butt as she pumped his arm with wild abandon. "mmmmph GIVE IT ALL TO ME, I love having your dick inside of me!!!" she screamed.

"Whoa" Mike thought. "This chick thinks my DICK is inside of her? Holeeee crap that's a huge pussy. This is weird, but it's too much fun to stop now." Pretty soon she had gained about 40 lbs of ass meat and was still humping at his arm. Her butt looked like it belonged on a 350 lb woman, but the rest of her was still toned and trim. She reached in front of her and started playing with her clit as she started to squirm.

"I think I'm comminggggg, Oh my goooooo Ahhh" she shouted as she slowed down and stopped moving on his arm. Mike's cock was painfully hard at this point and he climbed in behind Lucy. He grabbed her ass and plunged his dick back into her and started pumping as fast as he could. It felt good, but there was no way he was going to come like this. Using the lube from her overinflated snatch, he went north and stuck his dick into her waiting asshole.

Lucy squealed a bit but after the orgasm she just had, Mike could pretty much do whatever he wanted and she wouldn't mind. She felt him grab her ass as he pumped in and out of her tight asshole. It didn't take him very long to start building to a climax. As he pumped in and out of Lucy, he couldn't believe his eyes. This chick's ass was gigantic, it had to be three feet in diameter! She started to move back and forth in time with his movements and her ass began to quake against his crotch like it was a mass of jello. Faster and faster he pumped until he felt himself begin to come inside of her. He grabbed two handfuls of ass and buried his cock up to the hilt in her ass as he emptied his load deep inside of her.

At the same time, in the corner of the room, Sheila was nearly at her second orgasm of the night and she furiously played with her clit. As she came, she felt a slow build up of pressure in her chest. Then it moved to her ass, and finally it concentrated on her pubic area. When she came down from the high, Sheila examined herself. She noticed quickly that her breasts, usually a modest 32C, had grown quite a bit. She massaged her newfound assets and found them to

be very sensitive. She almost came from the first touch. She then thought to Luferra, and her incredibly fertile figure. She was going to have to talk to Luferra about this....
